

HOMEWORK CLUB

Dear parents/guardians,

We are delighted to continue to offer all of our 1st year students the opportunity to attend homework club up to 3 evenings a week for **free**. Homework club is designed to help our 1st year students complete their homework in a supportive environment and to instil good study habits early on in secondary school.

Homework club runs on **Monday, Tuesday and Thursday** evenings from **3:45pm until 5.00pm** each evening. Students complete their homework together under the guidance and supervision of a teacher and 1-2 transition year students. Students are offered a break of 10-15 minutes to have a snack in the canteen in advance of settling into their homework by 4:00pm at the latest. This facility allows students the chance to form good study habits, get help with areas that they may find challenging, work in a supportive study environment and have most of their homework completed before going home for the evening. It also reduces the volume of books that they need to bring home each day.

For safety reasons a roll call will be taken to ensure that the students signed up to it are in attendance. If your daughter is not going to be attending, please provide a note in her journal to excuse her.

If at any point during the term, you no longer wish for your daughter to attend or you wish to change the days she attends then please provide a note in her journal to be presented to the supervising teacher.

If you would like your daughter to attend homework club, please complete the form on the back of this page indicating which days she will attend.

If you are not interested in your daughter attending then please sign below:
